

Recorder Sale!

This year's recorder sale fundraiser for fourth and fifth graders will continue until the end of early May.

The black Angel Halo soprano recorder is specially made for student players and comes with the following bonus accessories:

- ✪ vinyl zippered carrying case
- ✪ holder necklace
- ✪ joint grease
- ✪ cleaning wand
- ✪ adhesive thumb spot

Cost is \$7.00 each. Purchase of a recorder is not mandatory, but most students benefit from the purchase of their own for practice at home and playing in class.

Payment will be accepted in an envelope or bag with the order form (below).

The preferred method of payment is check (made to Darnell ES) or exact change.

Envelopes/bags may be turned-in before school, after school, or during Music Class DIRECTLY to Ms. Van Eaton or to the FRONT OFFICE. Please be sure to seal the envelope.

If you have any questions, after speaking first with your child, please call Ms. Van Eaton at 799-6630 or email her at vaneaam@nv.ccsd.net.

Special note: Because learning to play the recorder correctly is important, and also a large part of the student's music grade from third through fifth grade, Ms. Van Eaton will not sell recorders to students until it is their time to learn to play in the classroom setting.
