

# Recorder Sale!

This year's recorder sale fundraiser for third graders has begun! There are two options for recorder this year.

## Option #1:

The black **Angel Halo recorder** is specially made for student players but has traditional holes that need to be covered with fingers. It comes with the following accessories:

- ★ vinyl zippered carrying case with a hook for hanging
- ★ holder necklace
- ★ joint grease
- ★ cleaning wand
- ★ adhesive thumb spot

Cost is \$7.00 each.

## Option #2:

The **Nuvo+ recorder** (not to be confused with the regular Nuvo recorder) comes in different colors and has silicone keys that help students with small fingers cover the holes. It comes with:

- ★ hard plastic case
- ★ adjustable thumb rest

Cost is \$15.00 each plus \$3.00 for shipping.

I will place an order every other Friday for students who have already paid.

Purchase of a recorder is not mandatory, but most students benefit from the purchase of their own for practice at home and playing in class throughout third, fourth, and fifth grade. Ms. Van Eaton has examples of both recorders in her classroom if parents would like to come and see them.

**Payment** will be accepted in an envelope or bag with the order form (on the back). The preferred method of payment is check (made to Darnell ES) or exact change.

Envelopes/bags may be turned-in before school, after school, or during Music Class **DIRECTLY** to Ms. Van Eaton or to the **FRONT OFFICE**. Please be sure to seal the envelope.

If you have any questions, after speaking first with your child, please call Ms. Van Eaton at 799-6630 or email her at [vaneaam@nv.ccsd.net](mailto:vaneaam@nv.ccsd.net).

Special note: Because learning to play the recorder correctly is important, and also a large part of the student's music grade from third through fifth grade, Ms. Van Eaton will not sell recorders to students until it is their time to learn to play in the classroom setting.

Order form is on the back.

# Recorder Order Form

Student's First & Last Name:

---
